Taras Antoshchenko,

Trainee/Junior

Front-end Developer

PROFILE

Versatile Front-End Developer with a strong foundation in HTML, CSS, JavaScript. Experienced in creating responsive, user-centered designs and bringing interactivity to life with modern front-end technologies. Familiar with TypeScript and Node.js, with a focus on scalable, maintainable code and seamless user experiences. Known for problem-solving abilities and adaptability, I thrive in dynamic environments and am eager to contribute to innovative projects that enhance user engagement.
